MEDIA RELEASE

Official Communication from the South Caribbean Conference of Seventh-day Adventists

The South Caribbean Conference of Seventh-day Adventists is sharing this important communication from the Office of the President. This statement is available on our website for your reference. www.southcaribadventists.org

The Seventh day Adventist Church is a Protestant denomination with a global membership of approximately 21 million members, spanning over 200 countries worldwide. We are committed to upholding the values and teachings of our faith, and to serving our communities with love and dedication. Please see the following public statement from the Church's Headquarters in Trinidad.

Edison Williams
