Christian greetings.

A new initiative is about to be launch in an era where mentorship and direction are more important than ever for our young people. With delight, we present to you **Boys of Spirit and Substance, or BOSS**, a revolutionary adolescent program whose goal is to develop the next generation of young men. This program's launch is scheduled for **May 5, 2024, at 9:00 a.m.** at the **Five Rivers SDA Church**. In addition, a Zoom platform will be available with this program.

The primary objective of this program is to nurture our young men into better men and future leaders through **mentorship, instruction, and nurturing**. BOSS seeks to provide your sons the tools they need to succeed in this rapidly changing world, through a carefully chosen curriculum that emphasizes spirituality, character development, life skills, and learning success.

We are reaching out to you and asking for your prayers as the Men's Ministries department of the South Caribbean Conference of SDA prepares to introduce this innovative program. Our goal is to enroll every male teenager between the ages of 13 and 19.

Registration will be done via QR code on the day of the launch

Sincerely,

.....
Pastor Albert Brathwaite
Men's Ministries Director, SCC
