Dear Brethren:

Warm Christian greetings to the children of God scattered across the South Caribbean Conference of Seventh-day Adventists.

We are very happy to invite all Seventh-day Adventist business person, physicians, attorneys and other professionals to attend the Adventist-laymen's Services and Industries (ASI) re-launch, registration and elections on **Sunday April 21, 2024 beginning at 9:30 a.m. at SCC Chapel, St Augustine.**

Adventist-laymen's Services and Industries (ASI) is an organization of Seventh-day Adventists (SDA) laypeople who own or work in business, in professional vocations actively participating in the church's worldwide mission.

ASI members share a common goal that of support the mission of the Seventh-day Adventist Church in reaching the world with the good news of God's love by '*Sharing Christ in the Marketplace*'. ASI members seriously embrace the injunction of Jesus who said, "***Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost.***" **Matthew 28:19**

There are many ASI members around the world who are doing a great work at supporting the SDA Church in its various outreach activities which include but is not limited to health, education, evangelism, community services and other special projects. The ASI Trinidad Chapter aims to fulfil its mandate and we pray that you will help us toward this end.

We thank you for joining us on **April 21, 2024** and ask that you kindly share this information with SDA business persons and professionals in your church.

Yours in the Master's Service

LESLIE MOSES
