RE: Stewardship Revival Week - 2024

Greetings in the wonderful name of our Lord and Saviour our soon-coming King!

The Stewardship Revival Week has been scheduled for November 30 to December 7, 2024. The material for the week's presentation is provided via the link in this letter to conduct your Stewardship Revival Week. The document is also attached to the e-mail.

The following is the link for the material:

We are encouraging all Stewardship Leaders to plan and execute the stewardship programme for the week.

Remember, "stewardship is life."

Thank you and may God continue to richly bless you and your family.

Yours faithfully
