Dear Brethren:

RE: CELEBRATE CHILDREN WEEK WITH US!

We are excited to announce that IADPA Bookstores Trinidad and Tobago will be celebrating Children Week from October 28th to November 1st 2024. This is a wonderful opportunity for us to come together and support the growth and development of our children through the joy of reading.

During this special week, we'll be offering discounts on a wide selection of children's books, along with fun giveaways designed to inspire and engage our young readers. Reading is a powerful tool that nurtures imagination, creativity, and critical thinking, and it's important for us to encourage this love for literature in our children.

I invite you to visit the bookstore during this week and take advantage of these special offers. Your support not only helps us promote reading but also strengthen our community by fostering a love for learning among our youngest members.

Together, let's make a positive impact on our children's lives!

Yours in the Master's Service,

Mrs. Margaret Chrysostom
